Collect moments not things · Be where your feet are · This too shall pass · You are enough · Make it a good day · The best is yet to come · Grow through what you go through · Progress over perfection · Choose your hard · Life is happening now · Become who you needed · Less hurry more life · One day at a time · You get to begin again · Let it be enough · Start where you are · Keep going anyway · Better things ahead · Do it scared · Nothing is wasted
